Mr J. F. Jaudon

Miami. Fla.

Dear Sir.

Please advise us also, if your company, the railroad company, has received its corporation financing and construction permit, certificate of convenience and necessity, from the Interstate Commerce Commission, as yet.

If you have, we would be very glad to have a copy of this official permit, giving your company the power and right to build and operate a railroad.

Awaiting your further advices,

Yours Very Truly

C/C
