

The Naples Improvement Company, Inc.

OFFICE OF THE VICE-PRESIDENT

NAPLES-ON-THE-GULF, FLORIDA

Sept. 18th, 1924.

Capt. J. F. Jaudon,
321 Northwest Fourth Ave.,
Miami, Fla.

Dear Captain:

✓ I'm getting to neglect my correspondence, I guess. Fact is, there are so many angles to this development work that it is hard to get down to office duties.

✓ I want to thank you for your letter of August 23rd, giving information in much detail regarding the firm of Nelson-Bullock-Nelson. My inquiry came about through the above people writing us a letter for prices on about all of the Gulf coast, Naples and north to Crayton & Wilkinson's holdings up at Bonita Springs.

✓ Naturally you took our letter to mean that we might be dickering with them to act as our Sales Agts. I only wish we were ready for such service; I don't believe it is far distant. We feel almost certain we will have the railroad in here by March or April, and that this winter is going to see great activities here.

Respectfully,

C. H. Hartley
