

THE NAPLES IMPROVEMENT COMPANY

GENERAL OFFICES
OUTLOOK BUILDING COLUMBUS, OHIO

November 26, 1924.

Mr. J. P. Jaudon,
321 N. W. Fourth Ave.,
Miami, Florida.

Dear Mr. Jaudon:

Before leaving here for New York, I instructed Mr. Smith to return the papers you had left with me concerning the Tamiami Railway.

As I said to you in a former letter, I have always felt very much interested in your affairs, because I felt that such co-operation between us in connection with the development of both our interests would be a good thing, and I still think so, but I did not want to embarrass you in any efforts you might desire to make in other directions in your own way, and, of course, I figure that either one of us is at liberty to make any arrangement we may find advisable for our own interest without feeling that there is any obligation existing to do so.

I am making my plans now to leave here next week for Naples. I hope to get to Naples at least by Saturday of next week, which would be the 6th of December. I am planning to remain there until about the 22nd of December and then come back here for the holidays, and I then expect to go back to Naples soon after the first of the year to remain five or six weeks.

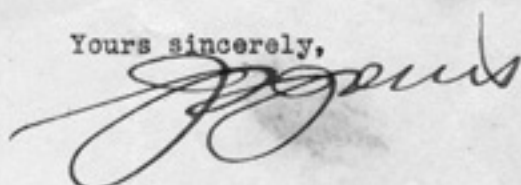

If it is convenient for you to arrange your affairs so as to come over to Naples and see me while I am there, I would be glad to have a talk with you and see if there is anything that we should and could do for our mutual benefit.

I would be glad if you would let me have a reply to this letter, care of Mr. Hartley at Naples, so I may receive it on my arrival there.

I do not know whether I have told you that Mrs. Jones and the children are not going down to Florida this winter, because the children are getting along very nicely in their school here and Mrs. Jones does not want to take them out. It may be that I will be able to induce Mrs. Jones to go down with me on my second trip after the first of the year.

Remember me kindly to Mrs. Jaudon and believe me,

Yours sincerely,

Dict J S J
