My dear Mr. Smith:-

Your wire of June 23rd conveying the sad news of the death of Mr. John S. Jones received on Friday the 24th. I wired you my condolence and requested you to convey to Mrs. Jones and family the sincere sympathy of Mrs. Jaudon, Mr. R. A. Cochran, Jr. and myself.

It was my intention to visit Columbus about July 10th and confer with Mr. Jones relative to certain Florida enterprises. It may be my opportunity to either go in person or have Mr. R. A. Cochran, Jr. call on you sometime the latter part of July.

I am yours and Mrs. Jones service in any way which may be beneficial to the estate.

I have looked forward to what Mr. Jones expected to accomplish in Florida within the next few years with a great deal of interest.

As I have explained in my wire, both Ohio and Florida have lost a great man and friend.

With kind personal regards.

Cordially and sincerely,
