Mrs. D. H. Taft,
1609 Clifton Avenue,
Columbus, Ohio.

Dear Mrs. Taft:-

Acknowledging receipt of newspaper which you sent announcing the death of my dear friend, Mr. John S. Jones of Cranville, Ill, beg to say I thank you for sending me this paper, although I had already received a wire from Mr. George K. Smith, Mr. Jones' private secretary conveying notice of Mr. Jones death.

In the death of Mr. Jones not only is it a loss to Ohio but it is equally a distinct loss to the state of Florida, as he had well defined plans for considerable south Florida development.

Mrs. Jaudon joins with me in highest personal regards to you and we trust we will hear from you at your every convenience.

Cordially and sincerely,

JFJ/DA.
