

PETER P. SCHUTT  
PROPRIETOR.

HOTEL **BRADFORD**

FORT MYERS, FLA.

Capt J. F. Gaudon  
Miami

My word Capt Gaudon  
Have written you several  
letters within the last couple of  
Months and as some of them have  
come back I figure that some-  
one at your address must have  
received them and either you,  
if you are not laid up or some  
body connected with you  
is making a Heluva mistake  
in not telling me whether you  
are sick or well. I think I've  
started something in connection with  
the delay in the Tamiami Trail  
road work which ought deserve co-  
operation in Miami

Yours truly  
F E Harrison
