Judge E.G. Wilkinson

County Commissioner Lee County

Naples Florida.

Dear Judge Wilkinson:

I do not know what date The Contract with Lee County was signed by the Board and was effective but I am paying each of the employees \$50.00 on account and am paying all bills for month of February incurred on account of the work.

Would you kindly have the Clerk make up this statement for me and forward so I can open my accounts correctly with the terms of the contract.

Kindest personal regards.

very truly yours
