Mr. B. J. Scott, Manager.

Deep Lake Company

Everglade

Florida.

My Dear Mr. Scott:-

In Re. yours 11th, inst SUBJECT, personal property at Everglades.

I note that you desire Mr. Bozeman to come down and check over and out this personal property, and I beg to advise that the writer will be in Fort Myers Tuesday night and Wednesday 16th and 17th inst, and I will give Mr. Bozeman instructions in accordance with your letter.

Hardly think it the proper thing for him to go into the matter of the expenditures made by me on Kington boat, house, and property as these are matters of book records both with your Company and with me and we can easily adjust same by correspondence.

As per my former letter will advise you a day or two in advance of Mr. Bozeman's arrival so he will lose no time nor take up an unnecessary amount of yours.

Mrs. Jaudon (who has been dangerously ill since our return from New York, but who is much improved at this time) joins with me in personal regards to you, Mrs. Scott and our many other friends at Everglade.

very truly yours

J. F. Jaudon.
