Dear Captain:-,

I went to The First National Bank and saw Mr Fursley about borrowing some money on a note and said that he could not loan money unless he could get some good personal securities and would not take your Indorsement or land as a security and he said that he was sorry that he could not.

Then I went to The Bank Of Ft Myers and saw Mr J.E.Foxworthy who is Casher of that Bank and ask him and he said that he could not take your Indorsement unless some of the Miami Banks would recomend you for he did not no you personally and could not take land as securiety but if some of the Miami banks would recomend you hr would take your Indorsement.

Then I went to the Lee County Bank ~~and~~ Title and Trust Co and ask Mr Blanding who is Casher there and he said that they had all the money out on Truck farms that they could carry and did not want to let any out any way.

I guess there is only one thing for us to do and that is to business with the Miami Banks all the way through and that suits me alright.

Yours Resp't,

O.C.Bozeman.
