Dear O.C. and all:-

Enclosing you a letter returned to me, you will note that I "Missed" the CORRECT ADDRESS, cant understand how I did it but I DID.

You of course received the wire refered to and I have your letter relative to same.

There is nothing pertinent in the letter now except that you have the "Vouchers and the copies of my letters to County Commissioners under date of July 5th 1922."

Have written Hon. J.F. Garner relative to same but suggest that you again present them to him, and get him to in turn present them to County Commissioners for payment.

I want Lee County to settle with me, and not Collier County.

Am sending you check in sum of \$25.00, dont know how you stand with Kings Garage, I have not remitted t em, but I sent check to Barron Seed Co.

Let me hear from you.

Personal regards to you, Mrs. B, and to Harry B.

Sincerely yours.

J.F. Jaudon.
