Hon. J. Stuart Lewis.

Sect. Commissioners Everglade Drainage District.

Tallahassee Florida.

Dear Captain Lewis:-

Please send me ten small maps of Everglade
Drainage District.

Some time ago I had a copy of a blue-print on
a much larger scale than the small maps, and I would like two copies
of each portion of this enlarged map so that I can put them together
and make a complete map of the District.

If any charge please send bill.

We are organizing "Jaudon Drainage District" as
created by the 1923 Session of Legislature.

Personal regards.

very truly yours

J.F. Jaudon.
