Hon. Walter O. Sheppard.

Attorney County Commissioners.

Lee County Fort Myers

Florida.

Dear Mr. Sheppard:-

Yours 26th, answering my wire 25th, for which I thank you.

On July 5th 1922 when I surrendered my contract with Lee County, for the consideration of my being paid the amounts expended by me amounting to \$1120.71 (bill passed to Alexander Ramsay and Kerr at that time) there was no question as to "Amount" of the bill but there was a question as to "method" that it would be paid, it was assumed that Alexander Ramsay and Kerr would proceed with the work and render bills to Special Road District No 3 for the amount of my account and pass check to me.

Your letter puts an entirely different construction, Please remit me \$ 1120.71.

I am indeed sorry Alexande Ramsay and Kerr have not been able to perform, but it is no excuse that I should not be paid.

I do not desire to push this matter but Special Road District No 3 Lee County owes me the above amount and I sure desire settlement.

Personal regards

very truly

J. F. Jaudon.
