A. W. CORBETT, PRES.

MRS. W. C. LITTLEWOOD, VICE-PRES.

WRITER'S ADDRESS

MIAMI, FLA., August 14th 1924

Mr. George E. Merrick
Coral Gables
Miami
Florida.

My Dear Mr. Merrick:

Relative to your message as to your contribution to expense fund of Tamiami Trail bond election item.

I beg to say the Everglades Development Association is carrying ads in certain papers on the subject matter of this item, in addition to which they have organized and are mailing out certain letters to the voters.

The opposition of Mr. E. R. Graham and others and the attitude of the Miami News-Metropolis is such as to warrant our activities.

We contemplate spending a total of fifteen hundred dollars----if other things develop between now and election date we may find it necessary to spend more.

If as you indicated you desire to "chip in" on the matter of meeting these expenditures please make your check in such amount as you desire to F. W. Chaplin, Treasurer E. D. A. 1st Nat. Bank Bld.

We really believe that this item will carry by a large majority but it is wisdom to "be on the job" at all times.

Thanking you for your kind words and assurances of support, and trusting we will not be disappointed in this item carrying by a large majority, we are,

Very truly yours

Everglade Development Association.

By

Chairman Tamiami Trail Committee.
