

SECTION 4. All approaches or places where vehicles cross sidewalks, shall AN ORDINANCE RELATING TO THE CONSTRUCTION OF SIDEWALKS AND CURBS IN THE CITY OF MIAMI BEACH, FLORIDA, AND PROVIDING A PENALTY FOR

SECTION 5. THE VIOLATION THEREOF. BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MIAMI BEACH, FLORIDA:

SECTION 1. All sidewalks, curbs and gutters to be built within the city limits of Miami Beach shall conform in every detail to the specifications adopted at the time, as standard by the city .

SECTION 2. Wherever sidewalk is to be built the city engineer shall establish lines and grades without loss of time to either the owner or the contractor; the contractor shall notify the engineer at least twenty-four hours before the contemplated beginning of the construction; the contractor shall furnish suitable stakes and after same are in place he shall provide ways for preserving same; in replacing said stakes which the contractor or his subordinates may have failed to preserve; the contractor shall pay at the rate of \$1.00 for the first two stakes so reset and \$.25 for each additional stake thereafter. The engineer shall also designate where spaces are to be left for poles or other necessary obstructions. After completion of the work it shall be the duty of the engineer to inspect said work, and see that it is built to conform to the lines and grades furnished by him. An inspector shall be appointed by the city engineer who shall have access to all parts of the work at all times, and whose duty shall be to point out to the contractor any neglect or disregard of the specifications. The duties and functions of said official are purely supervisory and his decisions shall always be subject to the final approval of the city engineer. The inspection and acceptance of material and construction during the progress of the work shall not relieve the contractor from any of the obligations assumed under the contract to furnish material and perform all work strictly in accordance with the specifications, and all work not in accordance therewith, although overlooked and passed, shall be made good, and all inferior or defective materials shall be removed and replaced with proper material upon written demand of the Street Committeeman and the City Engineer at any time prior to the expiration of six months after completion of the work. Upon the completion and acceptance of any sidewalk work, the contractor or builder shall file a written notice in the office of the City Engineer, specifying the amount of work done, the location and date of completion.

SECTION 3. All work on sidewalks, including the laying out of same, shall be under the supervision of the committeeman on streets, with such assistance as he may require from the city engineer. All sidewalk work shall be approved by the city council.

SECTION 4. All approaches or places where vehicles cross sidewalks, shall be made into the sidewalk with a slant, grade, or rise from the outside of the curb line toward the center of the walk, sufficient to enable all vehicles to cross with safety, said grade to be furnished by the city engineer, and the work to be done under his supervision.

SECTION 5. Any person, firm or corporation violating any provision of this ordinance shall, upon conviction, be fined not exceeding Fifty (\$50.00) dollars or imprisonment for not more than sixty (60) days, or both such fine and imprisonment in the discretion of the judge.

SECTION 6. The city council finds and declares that this ordinance is necessary for the immediate preservation of the public peace, health and safety and that it shall go into effect upon its approval by the mayor and by posting for one time in three conspicuous places in the city of Miami Beach, one of which shall be at the City Hall.

Passed and adopted this 7 day of April  
1920.
