

ORDINANCE # 143.

An ORDINANCE of the City of Miami Beach, Florida, requiring all persons to procure building permits before constructing any building in said City and prescribing a penalty for building any building in said City without first having procured a permit.

BE IT ORDAINED by the City of Miami Beach, Florida:

Section 1: No person, firm or corporation shall construct any kind of a building within said City unless he shall have first procured from the City Clerk of said City, a building permit issued upon application as provided in this Ordinance.

Section 2: Any person, firm or corporation desiring to contract any building within the city limits of the City of Miami Beach, Florida, shall first make application to the City Clerk, stating in said application the description of the land on which said building is to be constructed, whether the building to be constructed is a frame, concrete, concrete block^{Stucco} or brick building, the numbers of stories thereof and the purpose for which said proposed building is to be used, which application shall be signed by the Owner thereof or his duly authorized agent.

Section 3: It shall be the duty of the City Clerk of said City, upon application, as hereinbefore provided, to issue to any person a building permit, licensing him to build the character of building at the location and for the purpose set forth in said application, for the issuance of which such applicant shall first pay said City Clerk a fee of \$ 5.00.

Section 4: Any person, firm or corporation who shall construct or build any building without having first made application and procured a license, as is hereinbefore provided, shall upon conviction be fined not more than \$100 or be imprisoned more than 60 days or both such fine and imprisonment.

Section 5: All Ordinances in conflict herewith are hereby repealed and this Ordinance shall take effect immediately upon its adoption and approval in accord with law.
