Mr. J. E. Ingraham,  
Vice-President,  
St. Augustine, Fla.

Dear Sir:

Replying to yours of the 26th inst. will state that we ordered Field Notes from Tallahassee for Townships 58 & 59 of Range 38 as we did not think that you had them, and we wanted to get them as speedily as possible for Mr. McRae's use in locating the NE corner of "58-37".

Yours very truly,
