Mr. J. E. Ingraham,
Vice-President,
St. Augustine, Fla.

Dear Sir:

Mr. Dill has a customer for Township 59-37, less Section 16, and is anxious to have a price named on the same as his customer has been talking about buying the property since last spring.

We took surveyor W. E. Brown down to the property on a preliminary trip so as to arrange for him going over the township and reporting on it, about two months ago, but just as he was ready to start the "Peters Station" case came up and Shutts-Smith & Bowen wanted him to make an extensive survey in that section to be used in this case; then he was obliged to go north for a month but will return in a few days. On his return we can have him go over the property if you wish to put a price on the same for Mr. Dill.

Yours very truly,
