Mr. J. E. Ingraham,
Vice-President,
St. Augustine, Fla.

Dear Sir:

Dr. Holmberg wired Mr. Hoag last night that he must decide immediately in regard to taking up a new option on "59-37". Two or three other parties have asked for an option on this land previous to Mr. Palmer, and therefore it seems to me that I should give them first chance, only make them decide quicker.

Yours very truly,

FSM/P
