Dear Sir,--

I am just in receipt of letter from Mr. Pepper stating that a Mr. J. B. Dill of Miami had called at your office just before you left in regard to an option and price on "59-37" I have advised Mr. Pepper, as per copy of my letter enclosed. I will be glad if you will write me to Waynesville, N. C., C/o Mr. J. E. Ingraham, Box 396, further particulars in regard to this matter, and if this Mr. Dill is a responsible party, and whether or not there is any reason we should not give him an option, and how long an option you would recommend.

Yours truly,
