Mr. Sidney Harrison, Chief Clerk,
St. Augustine, Fla.

Dear Mr. Harrison,

The enclosed letter with reference to an option to Mr. Dill was dictated in his presence, and I wish to state that Mr. Morse told me that he did not think it advisable to put this land out under any long time options, and he understood that was the wish of Mr. Ingraham also; and I think it was Mr. Morse's idea not to bother your office about the matter, but when Mr. Dill came back to tell him you did not care to give an option.- I wish you would give me a reply that I can show Mr. Dill.

Yours very truly,
