

Florida East Coast Railway

LAND AND INDUSTRIAL DEPARTMENT

J. E. INGRAHAM
Vice-President

Sp. 165

St. Augustine, Fla. September, 19th, 1913.

Mr. F. S. Morse,

Miami, Fla.

Dear Sir:-

Your confidential letter of September, 16th at hand and duly noted. Mr. Powers seems uncontrollable and it is a pity he has so much surplus energy. I have asked him to explain about the ice plant etc.

Yours truly,

J. E. Ingraham
Vice-President.
