Mr. F. S. Morse,  
Miami, Fla.

Dear Sir:-

Your favor of September, 6th, in reference to Cape Sable property and Mr. Power's endeavor to locate the representative of the Cape Sable Land Company, at hand. I do not think that we wish to buy this property and whatever Mr. Powers may be doing in the matter is on his own account. I told him that we did not care to buy any more property and what we had was for sale.

Yours truly,

*J. E. Ingraham*  
Vice-President.
