SUBJECT

My dear Mr. Morse,

I thank you for your personal letter of May 2nd, but in view of the fact that Mr. Goodson has an invalid wife I would not ask him to leave home. It would be impossible for her to live comfortably at Cape Sable, and I have, therefore, given the appointment to Mr. F. J. Powers, formerly of New Smyrna, who has been in the land business for some time and at one time lived in Sanford.

With sincere regards and appreciation for your willingness to help me out in the matter,

Very truly yours,

J. E. Ingham
