Mr. J. E. Ingham,  
Vice-President,  
St. Augustine, Fla.,

Dear Sir:

Yours of the 7th inst. at hand. We will send Mr. F. J. Powers out to see Mr. Bradley.

I note in your enclosed letter to him you are taking up correspondence with Mr. J. W. Moffitt of Hallendale, Fla. Mr. Moffitt told me the same things that he has written you, and Mr. J. B. Wofford of Miami, has also asked me to write you about buying 100 acres of land at Cape Sable, which matters I will explain to Mr. Powers when he gets here.

Mr. Moffitt is also anxious to get a canal cut across through some of the sand banks opposite Flamingo so as to have close connection with the railroad at Central Supply.

Yours very truly,
