Sb: Surveying at Cape Sable.

Mr. Fred'k S. Morse,
Miami, Fla.

Dear Sir:-

Your favor of the 9th at hand. I regret to say that we have no copy of Mr. Fries' survey of Cape Sable. I don't know where Mr. Powers got his plat, but as he knows Mr. Fries he, probably, got it from him.

Yours truly,

J. E. Ingraham
Vice-President
