-----Surveying at Cape Sable-----

Mr. J. E. Ingraham,  
Vice-President,  
St. Augustine, Fla.

Dear Sir:

Referring to yours of the 25th ~~inst~~: Mr. W. B. Brown, on account of other engagements referred to in our letter of July 10th, is unable to do your work at Cape Sable. He has been trying to find someone who could do it for him, even if he had to supervise the job, but cannot find anybody that he would rely on.

Yours very truly,
