Micami, Fla.

Dear Sir:-

Your favor of the 23rd at hand. I have been trying to get a proposition from Mr. Brown for this surveying at Cape Sable and Yesterday wrote to Mr. Powers to ask him to let me hear from him. If Mr. Brown is going to do this work for us we would like to hear from him. We want to get his proposition in form so we can consider it.

Yours truly,

*J. E. Ingraham*  
Vice-President.
