Mr. Fred'k S. Morse,

Miami, Fla.

Dear Sir:-

Your favor of July, 10th at hand and carefully read. This letter came during my absence, North, and should have had earlier attention. I presume that the arrangements which you have written about with Mr. Brown are the best that can be had and if so we will have to accept them.

Yours truly,

*J. E. Ingraham*  
Vice-resident.
