Dear sir:-

I hope to leave here Thursday afternoon or Friday morning in the launch enroute to Miami. If you are home I want to see you and want to bespeak the use of one of your autos to go to ^{Kendal} Larkin. I also want to talk over several matters with you. I am doubtful if I can get to Miami much before the 25th or 26th. Should you be going north about this time with your mother, do not delay on my account as I am on my way to Cape Hable and would stop on my way back.

With sincere regards.

Yours truly,

J. E. Ingraham
