

J. E. INGRAHAM
PRESIDENT
S. HARRISON
SECY. AND TREAS.

MODEL LAND COMPANY

OFFICE OF PRESIDENT AND SECRETARY

FLAGLER SYSTEM

ST. AUGUSTINE, FLA.

FILE NO. M-

November 10, 1914.

SUBJECT F. J. Powers acting as Agent
for certain lands.

Mr. Fred'k. S. Morse,
Miami, Fla.

Dear sir:-

As you are aware Mr. F. J. Powers is our Agent and handling lands in to Cape Sable, south of Township 58 west of Ranges 37, 38 and 39. He could handle very conveniently our lands of the south line Twp. 58-37-and 38 in your territory if you have no objections to turning these lands over to Mr. Powers to handle.

I would not like to do any thing which would be objectionable to you but if he can handle it more conveniently than you can we would be glad ^{for you} to let him do so. Powers was in the office several days ago and stated that he thought he could make several sales in Twp. 58, R. 37.

I would be glad to hear from you on this subject.

Yours truly,

J. E. Ingraham
President.
