Mr Frank S. Morse  
Miami Fla

Dear Sir,

Your favor of the 4th  
inst with blueprint of survey  
and a copy of Agreement  
between us which, as  
I remember is all right -  
and covers everything in  
satisfactory manner.

I do not know just what  
progress Mr Simmons is making  
with the ditching of these lands;  
for I left here on the 6th  
of Aug. But am quite sure

that he is making satisfactory  
so far, he writes me that  
the walls so far have held  
up alright? which in part  
I was afraid would not stand,  
I mean the walls of the Ditch,  
however? I will return home  
about the first of Nov? and  
expect to place Engines and  
Pump, anchors and will let  
you hear from me again  
then as to my views of the  
demonstration,

Yours very truly,

Carlton Marshall,

Yacoochee Sq,
