SECT. AND TREAS.

St. Augustine, Fla., Aug. 18th, 1916.

File M-10.

SUBJECT:- Mr. Carlton Marshall's proposition in regard to  $\frac{1}{2}$  of Sec. #30-48-43:-

Mr. Fredk. S. Morse,  
Miami, Fla.

Dear Sir:-

I have your favor of the 15th inst., enclosing bill for \$66.88, being one half of the cost of survey of the  $\frac{1}{2}$  of Sec. #30-48-43. We will make out check and voucher in payment therefor and forward to you promptly.

In reference to this sale, or option to Mr. Marshall, it was all based upon some lithographic maps which you sent up showing the tracts of land which Mr. Marshall desired to purchase. You failed to forward these maps, and if you will kindly return the correspondence relative to the sale we will be glad to go over it along the lines of your letter of Aug. 15th. Our impression, however, was that the selection of lands by Mr. Marshall began on the North line of this  $\frac{1}{2}$ , but we cannot ascertain anything until we have the map. Will you kindly return same, and oblige,

Dict. S.H..

Yours truly,

*J. E. Ingraham*  
President.
