Mr. Theo. H. Chapman,
Pompano, Fla.

Dear Sir:-

Replying to your letter of August 25th will state that we are to-day mailing the deed to Mrs. Marshall and am very sorry that it was necessary for you and her to go to this trouble, but the delay could not be helped as Mr. Ingraham, the President of the Company, and who is required to execute all deeds was necessarily absent from the State in attendance upon his sick wife and has just recently returned to St. Augustine after which he promptly executed this deed and sent it to us.

Yours very truly,
