July 25, 1916.

Mr. A. A. Dooley,  
St. Augustine, Fla.

Dear Mr. Dooley:-

I have yours of the 24th inst., inclosing the field notes for Township 48, Ranges 42 and 43, for which I thank you. We have received authority in to-days mail from Mr. Ingraham to have the East half of Section 10-48-43 subdivided and I expect to get the Everglades Engineering Company started at this work within the next day or two. I trust you were only joking in your statement that you are about the sickest member of the family.

Mr. Morse is, at present, in Baltimore, taking treatments, and as far as I know, is doing quite well. With personal regards, I remain,

Yours very truly,

FJP/C
