Mr. A. A. Dooley,
St. Augustine, Fla.

Dear Mr. Dooley:-

In connection with our letter of July 21st to Mr. Ingraham, with reference to Survey of East half of Section 30-48-43, if this work is authorized, can you send us a copy of the Government field notes in addition to the other information requested. You, no doubt, had these field notes when you did your work in the West half of the section in 1909.

Yours very truly,

FJP/C
