Mr. J. E. Ingraham,
P r e s i d e n t,
St. Augustine, Fla.

Dear Sir:

We have yours of the 10th in regard to our application for deed to Victoria B. Marshall, in which it is noted you state you are having Contract drawn up in the matter.

Full purchase price was remitted calling for a deed, and your statement that contract is being prepared, was very likely inadvertant, but thought best to call the matter to your attention.

Yours very truly,

FJP
