Mr. Frank J. Pepper,  
c/o Fredk S. Morse,  
Miami, Fla.

Dear Mr. Pepper:

I have yours of the 5th inst. and note that you attended a meeting of the Land Owners League of Broward Drainage District.

I was of the impression that we had informed your office that this Broward Drainage District was the first hard fight we had to get this drainage district into some shape such as would be a protection to the land owners, and their Bill was ammended in accordance with our suggestion and contention, and so long as they carry out the law in accordance with the Bill we are working in harmony with them. Our Attorney Mr. W. S. Jennings has had this matter in hand entirely and he is absent upon his vacation at present. I am, however, sending him a copy of your letter, and ask him to write you giving any specific directions that he may think best to make.

It was impossible for me to get a reply to you by Monday morning as requested because I did not receive your letter until late Monday morning. I am glad to note that you attended the meeting and feel sure that any action taken by you will be for the best interest of our Company and those interested in this

drainage project, but should Mr. Jennings have specific line  
of policy that he desires to follow out I will ask him to so  
direct you for your future guidance.

Yours truly,

*Sidney Harrison*  
Secretary.
