

Sept. 9th, 1919

Subject: Broward County Drainage District:

Hon W. S. Jennings, Atty.,
Dyal-Upchurch Building,
Jacksonville, Fla.

Dear Mr. Jennings:

I have just received a letter from Mr. Frank J. Pepper, of the firm of Fredk S. Morse of Miami, advising that the Land Owners of Broward County Drainage District called a meeting which he had attended. I am enclosing herewith a copy of his letter together with a copy of my reply thereto. If you have any specific line of policy which you would desire us to pursue in that Broward County Drainage District, I would be glad if you will write Mr. Pepper giving him an outline of the policy which should be followed so that he may be guided in accordance therewith at future meetings. And if you will kindly send me a copy of your letter to Mr. Pepper I shall be very much obliged.

Yours truly,

H/c

Secretary.
