Mr. Fredk. S. Morse,
Miami, Florida.

Dear Sir:

We have your favor of the 16th inst. enclosing circular letter issued by the Broward County drainage district, which is the first information we have had regarding this new drainage district. We shall appreciate it very much if you will give us the boundaries of this drainage district so that we may know what lands, if any, we have in this district.

Yours very truly,

THOMPSON & JACKSON,

BY L. T. Jackson
