Mr. J. E. Ingraham, President,
St. Augustine, Fla.

Dear Sir:-

We are returning herewith Model Land Company Contract 1972 with Edgar C. Roberts to have the rate of interest in the two notes and contract changed from 6% to 8%, unless you have made a change in the usual interest rate that you are now charging on contracts.

We also note that you have made taxes and assessments as may be lawfully imposed on said premises subsequent to the year 1917 and we presume you meant to write in 1918.

Yours very truly,

FSM/C
