FLAGLER SYSTEM

OFFICE OF PRESIDENT AND SECRETARY

J. E. INGRAHAM  
PRESIDENT

S. HARRISON  
SECY. AND TREAS.

St. Augustine, Fla. 5/1/19

Mr. F. S. Morse.  
Miami  
Florida.

Dear Mr. Morse:

Mr. W. W. Dewhurst will be in Miami Monday evening I think, in order to attend the meeting of the County Commissioners, in our behalf, relative to the application by Mr. Baile for drainage district.

As soon as this matter is disposed of and it is convenient for you and agreeable to Mr. Pepper, we would appreciate it very much indeed if Mr. Pepper can drive Mr. Dewhurst down the Ingraham Highway, as far as possible, so that he can obtain the information as to how far the road is completed and in what condition it now is.

According to the contract of course you know that the road had to be hardsurfaced. It is merely what we would call rough surfaced at present and is a long way from what we would call a good hardsurfaced road. There were certain turnouts to be constructed and we would like to know whether or not those turnouts have been constructed. In other words, we would like to know just exactly how the road is, and in addition to Mr. Dewhurst's verbal report we would appreciate it very much indeed if Mr. Pepper can send us a written report of its condition.

Yours truly,

*Sidney Harrison*  
Secretary-Treasurer.
