W. W. Dewhurst, Esq.,
St. Augustine, Fla.

Dear Mr. Dewhurst:-

We have yours of the 14th inst. Mr. McLendon states that he would like to have you make your payment ~~on~~ or before June 1st. He is not sure whether he will advertise in July or August on account of not knowing how long it will take the printer to set up the tax list. He says he is to turn his complete list over to the printer by June 10th and if your taxes are not paid before he turns the list over to the printer it will then be necessary to pay the advertising costs, even if you should pay same a day or so after he had turned the same over to the printer.

Am glad to know that you have completed the contract with the McCrary people so as to practically assure the finishing of the road by December 31st. Hope we may be fortunate enough to find a buyer for your land.

Yours very truly,

FSM/C
