Dear Mr. Morse.

Came today a set of most
Exquisite pictures many
more than I had expected
The one of the house with you
and Mr Simpson is most
highly prized.

These will be a great source
of pleasure not only to my
wife and self but by many
who visit the Park who from
physical infirmities are unable
to roam thru the jungle

Thanking you most heartily
for them I am most
Sincerely yours.

Chas. Morse
