Mr. F. J. Powers,
Homestead, Fla.

Dear Sir:-

Please send me a copy of your letter to Mr. W. E. Wright in which you gave him so many days and price and terms to purchase the Whelan tract at Cape Sable and if you are here to-morrow please call in and see us.

Mr. Dewhurst suggests that it has become necessary for us to determine just what you wrote Mr. Wright and for how long a time any option you may have given him may extend.

Yours very truly,
