Mr. A. R. Livingston,
Homestead, Fla.

Dear Sir:-

We have today received a letter from Mr. J. E. Ingraham, of which the following is a copy:

"I have your favor of the 2nd inst., stating that Mr. Crabtree and Mr. Duncan expect to start about the 10th of this month to complete the survey of the road being constructed by the McGrery people, and asking this office to furnish you with some information as to Mr. Livingston's survey. Beg to advise that Mr. Dooley informs me that you have all of this information in your office which he has previously sent you, and that Mr. Livingston is in a position to give all information that we have on the subject, and I would be very glad to have Mr. Livingston do this."

You will remember that Mr. Crabtree phoned you that he would be down to the Cape somewhere about the middle of the month.

Yours very truly,
