Mr. J. E. Ingraham, President,
St. Augustine, Fla.

Dear Sir:-

In reply to your letter of January 23rd with letter from R. C. Jenkins dated January 19th and your reply of the 22nd attached, would say that Mr. Powers says that Dr. F. R. King of Buda, Illinois, was helping Mr. Powers to sell lands of the Cape Sable Development Company on a division of commissions with him, but that Company has sold out and discontinued the retail sale of lands and, therefore, his arrangement with Mr. Powers has ended so far as the sale of lands for that Company are concerned.

As I understand it, if Dr. King should find any customers for Mr. Powers for lands that he is ~~holding~~^{selling} that he stands ready to divide his commission with him.

Yours very truly,

FSM/C
