FLAGLER SYSTEM

OFFICE OF PRESIDENT AND SECRETARY

J. E. INGRAHAM
PRESIDENT

S. HARRISON
SECT. AND TREAS.

St. Augustine, Fla., July, 9, 1919.

Mr. F. J. Pepper,
Miami, Fla.,

Dear Mr. Pepper:-

I am enclosing a blue print representing a part of the route of the Ingraham Highway east of the Monroe County line.

Upon observing this plat closely you will see that there are faint lines running east and west, parallel to the heavier lines, but about a quarter of a mile further apart. You will also note that the sectional numbers are so placed as to indicate that these numbers refer to the longer spaces on the plat and not to the smaller divisions.

Will you please compare this plat with the one on file with the contract between the County Commissioners and the J. B. McCrary Co., for the construction of the Ingraham highway, and see if these same conditions exist on that plat?

Please return enclosed plat with your reply, under register or insurance, and greatly oblige,

yours truly,

A. A. Darby.
