Miami, Fla.

Dear Sir:-

I have yours of the 24th inst., with copies of telegram received from me, first on the 23rd and second on the 24th, for which I am greatly obliged.

We think that Mr. Stanton should arrive at Homestead to-day; he is the man that we understand from Mr. Larson has the means to pay cash for the Whelan tract at Cape Sable; if he does this we shall feel very much gratified. We hope too that Mr. Powers will be able to suit Mr. Wright with a desirable tract on the same price and terms as we gave him in our talk last Sunday morning. I shall be glad to know what was done about this.

Yours very truly,

dict. JEI
