Dear Sir:-

The following are copies of telegrams received from you, the first on the 23rd and the second on the 24th:

"Mr. Larson wires regarding Whelan that he is sending a man to attend to the business and will wire definite answer today."

"Please advise Mr. Powers Geo. H. Stanton associate of Whelan left Chicago for Homestead night of twenty third with letter to Powers from Whelan He is party Whelan has associated with and expects to pay cash on proposition if suited Advise if you can get this information to Powers."

We phoned the latter copy to Mr. Powers this morning and have also mailed him a copy, as per our wire to you of today:

"Phoned your telegram to Powers and he will look after Stanton."

Yours very truly,
