Dear Sir:-

On January 5th you stated you would see Mr. Powers relative to my controversy with him and would let me hear from you again on the subject.

It has occurred to me that there has been a sufficient lapse of time to enable you to have made any investigation necessary and as I am particularly anxious to get an adjustment of this matter I should appreciate it if you will advise me at your earliest convenience just what your attitude is.

You will appreciate that nothing can be done towards going on with the Pioneer Plantation Company until I have had a complete adjustment of the Powers matter; therefore everything is being held up pending a settlement with him.

Yours very truly,

Wm. De Shetley.
